

American Lincoln Parts

American Lincoln Part - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are known within the business as strong and durable machines that satisfies all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nationwide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company which is currently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply warranty service, machines and parts for these types of scrubbers that have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency count. Recently, this particular floor scrubber model has been requested by the architects in various construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
