

Fork Mounted Sweepers

Fork Mounted Sweeper - This particular attachment truly makes industrial sweeping jobs much easier to finish. The versatile lift truck mounted broom is designed for use with either wet or dry material clean ups. It can push snow and squeegee water easily. This accessory is normally utilized to clean trash from parking lots, warehouses, construction sites, docks and nearly anywhere it is considered necessary. The lift truck sweeper is a low maintenance attachment that utilizes quick-tite fork products to effortlessly mount to the forklift.
