

## Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on achieving complete consumer satisfaction when their client is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a fruitful heritage combined with resilient processing principals, Nissan lift trucks offer some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Dedicated to delivering customer support, the company has four separate production facilities that permit them to persistently adapt to their customers continually evolving requirements by providing a range of innovative ideas and designs.

The Nissan Lift truck North and South American base is located in Marengo, Illinois. A loyal team of 350 personnel is committed to the support, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing techniques that diminish the global impact of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their clients require while being an environmentally aware corporation.

Nissan is certain that they will be able to address any consumer inquiries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
