

## Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to giving top quality and new design concepts to be able to meet the diverse needs of their clients.

TREK Cleaning Machines always provides fresh design concepts as proven in their product development. They like offering items that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of employees enjoys new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to dramatically reduce cost through productivity gains.

When considered necessary, the personnel within TREK and its various dealer members in both technical support and parts will be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines ready and working day after day is top priority. The company's top of the line technology delivers dependable machine which eventually lessens your cleaning expense. The price, the service and the product all work as one so as to make them an industry leader.
