

Lull Telehandler Parts

Lull Telehandler Part - Lull telehandlers have been providing precision load placement since 1959. Whether the job requires transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler will help make the job go easier and faster. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. A wide range of optional attachments is available for Lull telehandlers so as to help finish whichever task.
